

CBIZ Launches D@taNEXUS: Empowering Business Leaders With Advanced Data Analytics and Automation

Jul 10, 2024

CLEVELAND--(BUSINESS WIRE)--Jul. 10, 2024-- CBIZ, Inc. (NYSE: CBZ) today announced the launch of [CBIZ D@taNEXUS](#), a comprehensive suite of data analytics and automation services which helps clients transform complex, multi-source information into actionable insights, empowering business leaders to make smarter decisions faster.

Through CBIZ D@taNEXUS, CBIZ combines its deep knowledge of its clients and their industries with innovative data solutions which helps CFOs, management, audit committees and business decisionmakers systematize operations, identify growth opportunities, and mitigate risks.

Key features of CBIZ D@taNEXUS include:

- 1. Advanced data analytics and visualization tools:** Decode large volumes of data across systems to uncover key insights.
- 2. Automated reporting and dashboarding:** Aggregate, cleanse and structure financial and operational data which automate data-driven dashboards.
- 3. Predictive modeling and forecasting:** Inform key business decisions with identified trends and projections based on business-specific data.
- 4. Process automations for increased efficiency:** Employ artificial intelligence and machine learning technologies to streamline business processes.
- 5. Customized solutions tailored to specific business and industry needs:** Personalize workflow automations, reports and dashboards to fit unique business requirements.

"In today's fast-paced business environment, the ability to quickly analyze and act on data is crucial for success," said Chris Spurio, President of CBIZ Financial Services. "CBIZ D@taNEXUS empowers middle-market business leaders to unlock their growth potential through enhanced operational and financial insights."

Leveraging CBIZ D@taNEXUS solutions and services, companies can streamline management processes, automate routine tasks, and gain real-time visibility into key business measurement, returning valuable time to business leaders to focus on strategic growth initiatives.

Rob McGillen, Chief Innovation Officer at CBIZ Financial Services, added, "CBIZ D@taNEXUS represents a significant leap forward in how businesses can leverage their data assets. By combining our deep client and industry expertise with cutting-edge technology, we're able to offer solutions that not only provide valuable insights but also drive tangible business outcomes. This service is a game-changer for business leaders and owners looking to stay ahead in an increasingly data-driven world."

CBIZ D@taNEXUS is now available to businesses of all sizes across various industries. To learn more about how CBIZ D@taNEXUS can transform your business decision-making processes, visit [CBIZ D@taNEXUS™](#) or contact datanexus@cbiz.com.
