

CBIZ Launches Comprehensive Tariff Solution to Help Businesses Respond to Evolving Trade Pressures

May 13, 2025

CLEVELAND--(BUSINESS WIRE)--May 13, 2025-- CBIZ, Inc. (NYSE: CBZ), a leading national professional services advisor, announced the launch of its [CBIZ Tariff Solution](#), a cross-functional offering designed to help companies address the rising financial, operational, and compliance challenges driven by new and evolving global trade policies.

As tariffs reshape global markets and increase pressure on costs, margins, and supply chain stability, middle-market businesses face urgent challenges requiring fast, coordinated responses. The CBIZ Tariff Solution delivers integrated support across finance, tax, operations, and trade strategy, providing the actionable insights businesses need to make informed decisions and protect profitability.

"Tariffs don't just impact pricing. They ripple through nearly every business function, from sourcing and tax to inventory valuation and long-term planning," said Jan Smallenbroek, Tariff Solution Leader & Managing Director, National Service Line Leader International Tax & Transfer Pricing. "Our approach reflects the integrated approach clients need to respond effectively."

The CBIZ Tariff Solution includes:

- **Tariff Impact Modeling & Pricing Strategy**
- **Supply Chain & Duty Mitigation Planning**
- **Transfer Pricing & International Tax Advisory**
- **State & Local Incentives for Reshoring**
- **Trade Remedies & Compliance Guidance**
- **Financial Reporting, Disclosure, and Risk Control Support**

CBIZ has also launched a dedicated Tariff Solutions [web page](#) and is hosting a [live webinar](#) on May 29th to help businesses understand the most pressing tariff developments and how to respond. The offering is supported by a growing library of articles addressing trade policy shifts and industry-specific impacts across manufacturing, construction, consumer products, and more.

"Tackling tariffs in isolation is risky," said Mark Baran, Managing Director of CBIZ National Tax Office. "Our clients need clarity, coordination, and a full-picture strategy, and that's exactly what we're delivering."
